CORSENDONK SPONSORS INTERNATIONAL CHEFS CONGRESS

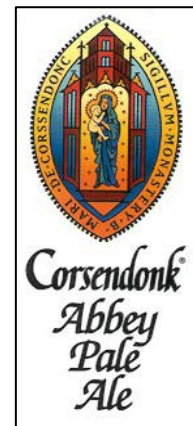

September 19 & 20, 2006 at Covenant House, New York City

These are the dates for what promises to be the most important professional culinary event in the US this year -- StarChefs.com's inaugural International Chefs Congress, a two-day culinary symposium where the world's most influential and innovative chefs will present the latest techniques and culinary concepts to their chef peers.

This is the first event of its kind in the US and it offers a unique opportunity to showcase Corsendonk Abbey Ales to leading international chefs. As a major sponsor Corsendonk will be featured:

- at an Educational Beer Pairing Seminar given by Executive Chef Bart Vandaele of Belga Café, Brussels, Belgium and Washington, DC
- in the Belgian Beer Booth, where chefs from around the world can sample the beers and get information on sourcing them for their restaurants
- at the congress after parties both days
- at the Dine Around Dinner Showcase, featuring Chef Bart Vandaele cooking at the dinner, where all courses will be paired with beer
